

Welcome to our tenth music festival, something which would not happen without our wonderful local and visiting musicians, our fabulous venues, our sponsors and most of all you, our lovely audience.

This is our first year back under canvas after Lockdown and we continue to start the festival around the town on Friday night. We have added a special Saturday lunchtime event in St Augustine's Church and on Saturday afternoon we remember our dear friend with the Tpot Stage in the Marquee on Tyne Willows Field.

We receive generous sponsorship from Alston Moor Parish Council, Westmorland and Furness Council, and our good friends at the Turk's Head and the Victoria. Without their support there would be no festival!

The Festival always has a posse of willing volunteers who ensure that our event is possible. We have a number of people providing food and drink on site, as well as our sound and light crews. We salute all of you!

Bringing back camping on the field means that we have to behave! No campfires or bar-b-ques please and take all your litter to the recycling point. Our committee of volunteers will be recognisable on site by their 'STAFF' tee-shirts. Please speak to them if you need help or more information.

We encourage people to join our committee. If you want to know more about getting involved, contact us via our website, alstonlive.com or speak to any of our committee at the festival (they will be wearing that fashionable STAFF tee-shirt!)

Have a great Festival!

Alston Moor Festivals Committee
